October Snow Storm -- Town of New Canaan
UPDATE & RESOURCES

New Canaan Office of Emergency Management
Thursday, November 3, 2011 as of 11:00 AM

Progress restoring power to all residents in New Canaan continues. Work will continue steadily throughout the day and evening.

Today, Teams that include New Canaan Health & Human Services, Clergy and Emergency Operations Center Volunteers will be helping residents cope with possible hypothermia due to cold temperatures.

Please call the EOC at 203-594-4100 if you or someone you know has been without power or food and could be vulnerable to cold.

Power Restoration Status

1. Approximately 6% of the town is without power - 540 customers. Power Restoration continues. CL&P is projecting an additional 150 restored by the end of the work day.
2. **Electrical Restoration Focus on Areas below for Today, 3 Nov:**
   - The following is a list of AREAS where crews continue to work—these areas encompass several streets which might not be specifically listed: the southern sector of Town near the Norwalk and Darien border including Whiffletree Lane, the West Road/ Weed Street sector, Gerrish Lane, Knollwood Lane, Lakewind, Upper Ponus, Old Norwalk, Myanos, Deep Valley, and the sector east of Carter St. including Cedar and Buttery Roads.
3. Complete statewide restoration of power forecasted by Sunday, November 6th
4. Data regarding individual residents on CL&P website is not updated on a real time basis.
5. Continue to post problems and situations on the EOC Facebook site at: www.newcanaanoem.com

New Canaan Facts and Status
