

New Canaan Gas Expansion Construction Activities: April 15 - 19, 2019

Four crews from Ferreira Construction will continue construction activities to install and improve our natural gas distribution system in New Canaan:

- **Gas Main Installation:**
 - **Crew 1** will be installing gas main on Main Street between Harrison Avenue and Maple Street during the hours of **7 a.m. – 5 p.m., Monday through Friday.**
 - **Crew 2** will be installing gas main on Mead Street during the hours of **7 a.m. – 5 p.m., Monday through Tuesday** and on Harrison Avenue during the hours of **7 a.m. – 5 p.m., Wednesday through Friday.**
 - **Crew 3** will be conducting in-street construction activities on Main Street from Church Street to Maple Street **Monday through Wednesday from 7 a.m. – 5 p.m.** and on Park Street between Elm Street and Old Stamford Road during the hours of **7 a.m. – 5 p.m., Wednesday through Friday.**
 - The hours for in-street construction activities may vary, depending on location and weather.
 - Temporary paving activities will be performed in conjunction with our construction activities as needed.
 - There will be no construction work performed on Saturday and Sunday.
 - Traffic flow will be maintained where possible, however, drivers may experience delays due to alternating one-way traffic, as well as, occasional lane closures.

- **Gas Service Installation:**
 - **Crew 4** will be installing gas services on Brinckenhoff Avenue, Brooks Road, Farm Road, Harrison Avenue, Mortimer Street, and Orchard Drive during the hours of **7 a.m. - 5 p.m., Monday through Friday.**
 - Our construction activities include individual service line installations and we will be working directly with specific homeowners and providing appointments to complete our work.
 - The hours for in-street construction activities may vary, depending on location and weather.
 - Temporary paving activities will be performed in conjunction with our construction activities as needed.
 - There will be no construction work performed on Saturday and Sunday.
 - Traffic flow will be maintained where possible, however, drivers may experience delays due to alternating one-way traffic, as well as, occasional lane closures.

What You Can Expect:

- The hours for in-street construction work may vary, depending on location, and the construction crews will be working daytime hours.
- Access will be maintained to residences and businesses, as well as ensure priority passage of emergency vehicle traffic through construction areas.

(continued)

What You Can Expect (continued):

- Construction activities may take place at multiple sites along the route until the project is completed.
- Work zones will be protected from pedestrians and vehicles.
- Police officers or flagmen will oversee traffic control.
- Please note that construction work is weather dependent, and all construction activities are subject to change without notice.

Additional Information:

Eversource remains committed to providing reliable service as well as accurate and timely information. Keeping the lines of communication open is an important part of our work in your community.
