## BY THE NEW CANAAN POLICE DEPARTMENT

### Donations to establish a K9 Program

The Police Department is seeking private donations from residents and businesses to perpetuate the K9 program and will be soliciting funds through drives and events held in town during the coming months.

A K9 program is a valuable tool in deterring crime, finding missing persons, apprehending criminals, preventing crime, and making our community safer. The K9 program is part of the police department's plan to curb vandalism, thefts and burglaries.

The program consists of a single German shepherd, imported from Europe, where dogs are specially bred, selected and trained for police work. When the dog comes to New Canaan, he will be handled exclusively by an extensively trained police officer. The dog will live with the officer and be available to serve the Town at a moments' notice.

In addition to police work, the K9 team will conduct demonstrations at schools, special events and for community organizations.

The New Canaan Police Department hopes that private donations will help defray the ongoing costs of the program.

Tax deductible\* donations may be made in the form of a check made payable to: "Town of New Canaan K9 Program" and sent to the **New Canaan Police Department at 174 South Avenue, New Canaan, CT, 06840**. Contributions for the program will also be accepted at both branches of The Bank of New Canaan at 208 Elm Street and 156 Cherry Street.
