Item 1 –

To hear Proposed Amendments to the Ordinance on Disposal and Sale of Tangible Personal Property and to invite public comment thereon.

Dick White, Chairman of the Ordinance Committee presented the background of the proposed amendment and introduced Town Attorney Chris Jarboe to discuss same. The proposed amendment was approved by the Ordinance Committee on 9/16/09.

Attorney Jarboe mentioned that increasing the amount on the sale of tangible personal property from \$250 to \$5,000 makes sense based on the fact that there have been no revisions to said amount in approximately 30 years. See attached draft.

Motion to adjourn public hearing made by Ms. Hussey. Seconded by Mr. White.

Respectfully Submitted,

Tom O'Dea, Secretary
