SUBMISSION OF September 6, 2007 MEETING MINUTES

NEW MATTERS:

- Update on the recommendations of the Downtown Study Committee – Steve Karl.
  - Description of findings and proposals.- discussion.
  - Resolution in support?
  - Post on Parking Commission website?
- Motorcycle parking at the Train Station – observations.
- Why we do not have on the parking machines "New Canaan Parking Debit Card". We should look into putting a sticker on the machines that spells this out to avoid confusion.
- Narrow width of the relined parking spaces on Elm Street – how to get fixed?.
- Update on the Center School lot. - Is there any more capacity there or are we at the max?
- Update on the impact of the flood in the Parking Department office.
- In view of the upcoming holiday crush, have we done everything within our power to help ease downtown congestion and try to make Karen and the parking bureau's job any easier during this peak season?

INPUT FROM THE PARKING DEPARTMENT - Supervisor Karen Miller
