

CVS Pharmacy COVID-19 Testing Sites in Stamford & Norwalk: drive-up to Pharmacy window

969 High Ridge Road, Stamford

66 High Ridge Road, Stamford

537 Canal Street, Stamford

1938 West Main Street, Stamford

281 Connecticut Avenue, Norwalk

6 Willard Road, Norwalk

Requires Appointment: <https://www.cvs.com/minuteclinic/covid-19-testing> (must register online, cannot call for appointment). Must bring confirmation of appointment, driver's license, insurance card. There is a three day window for appointments.

Additional Information: 12 or older can get tested; Age 12-15: Parent or legal guardian needs to fill out form and accompany patient to visit; Age 16-17: Parent or legal guardian needs to fill out form. Individuals will need to show proof of their identity, birth date and in-state residence. Individuals will also need to show their test confirmation, either by email or text message, and are asked to have their mobile phone in case the provider needs to reach them.

Cost is \$39/person unless you are being tested in your state, then the state will pay that fee (must have proof of residency). Those without insurance the state pays for the test.

Does not require a physician's prescription.

It is a self-administered PCR nasal swab. Directions are on the website and the onsite pharmacist will also give direction.

Results take 2-3 days. CVS will email with link to MY CHART. Results will have a clear negative or positive result.
