What You Can Expect:

- Temporary paving activities will be performed in conjunction with our construction activities as needed.
- There will be no construction work performed on Saturday.
- Traffic flow will be maintained where possible. Drivers, however, may experience delays due to alternating one-way traffic and occasional lane closures.
- Construction crews will work daytime and nighttime hours and in-street construction work may vary depending on location.
- Access to residences and businesses will be maintained to ensure priority passage of emergency vehicle traffic through construction areas.
- Construction activities may take place at multiple sites along the route until the project is complete.

- Work zones will be protected from pedestrians and vehicles.
- Police officers or flagmen will oversee traffic control.
- Please note that construction work is weather dependent. All construction activities are subject to change without notice.

Additional Information:

Eversource remains committed to providing reliable service as well as accurate and timely information. Keeping the lines of communication open is an important part of our work in your community.
